

COMPASSIONATE CARE. EXTRAORDINARY SERVICE.

Founded in 2014, Envision was created by health care professionals committed to providing a high-quality service that is accessible & affordable. Our team specializes in reaching each client's full potential to restore & maintain independence in every environment.

We are dedicated to a culture where every care partner has an opportunity to share their ideas, unique experiences, skills & interests openly to keep innovation & creativity at the forefront of our service model.

We strive to ensure that our clients & their families receive the highest quality of care, while respecting the rights of every individual. This is reflected in our Medicare Quality Rating, our client satisfaction surveys & our nationally-recognized CHAP deemed status accreditation.

We proudly unite with our community and referral partners to deliver solutions to relevant health care issues. Our success is driven by our core values:

Honesty, Integrity, Accountability, & Partnership

TOGETHER WE MAKE THE DIFFERENCE!

NON-DISCRIMINATION POLICY

Envision Health Partners abides by the requirements of 41 CFR 6-1.4(a), 60-300.5(a) & 60-741.5(a). These regulations prohibit discrimination against qualified individuals based on their status as protected veterans or individuals with disabilities, & prohibit discrimination against all individuals based on their race, color, religion, sex, or national origin.

Moreover, these regulations require that covered prime contractors & subcontractors take affirmative action to employ & advance in employment individuals without regard to race, color, religion, sex, sexual orientation & gender identity, national origin, protected veteran status or disability.

Client care plans are determined by standardized, comprehensive skilled assessments as stipulated by Federal & State regulations & company policy, & are provided under the direct care of a physician who is certified through the Medicare Provider Enrollment, Chain & Ownership System (PECOS).

Services

SKILLED NURSING

Our Skilled Nurses coordinate your plan of care, treat your condition, monitor your progress, & help you gain the skills you need to thrive on your own. This includes education in managing your conditions and medications, knowing how food & activity affect your well-being, as well as recognizing early signs of potential health issues.

OCCUPATIONAL THERAPY

Our Occupational Therapists work alongside our clients to increase independence with routine tasks for everyday living, such as completing self-care, making meals, driving, or re-learning how to do a favorite activity after an injury.

PHYSICAL THERAPY

Our Physical Therapists help you regain your mobility so that you can learn to move around confidently & safely in your real-world environment. By developing a program that meets your needs & keeps you active, we can help get you back to doing what you love!

SPEECH THERAPY

Our Speech Therapists assist you in breathing, swallowing, speaking, cognition skills, & communication disorders. They also assist with hearing impairments & voice disorders to help you communicate more effectively.

MEDICAL SOCIAL WORKER

Our Social Workers help you overcome some of the obstacles that can get in the way of your recovery, including helping you access financial assistance, providing counseling, & connecting you to helpful community resources.

HOME HEALTH AIDE

Our compassionate, dependable home health aides provide hands-on assistance for safety, while enhancing independence by helping to make activities such as bathing & dressing, a little easier.

Our 360° Approach

Part of caring for someone is understanding who they are & taking the time to find out what is most important to them.

At Envision, we believe that each client is unique in their life experiences, philosophies of medical treatment & have personal expectations for health & wellness.

We not only cater to your physical needs but we focus on your mental & emotional well-being, too.

Envision can increase your quality of life by:

- Enhancing Safety & Stability
- Promoting Socialization
- Boosting Cognitive Function
- Encouraging Independence

Envision was made for you!

Our Values

Quality

We are committed to the delivery of quality service through holistic models of health & wellness. All services are performed by licensed professionals who receive ongoing education & evaluation.

Integrity

We adhere to a personal & professional code of ethics culminating in honest, legal & dignified business activities. We gain integrity by conducting ourselves in a professional, ethical & transparent manner.

Accountability

Each member of our team is responsible for their choices, actions & re-actions & willingly accept accountability for the same.

Partnership

Healthy relationships rely on trust & honesty. We are truthful in our communications, we respect the individuality of each person & we offer support & compassion to those around us. Through personal connection & collaboration, we are dedicated to achieving mutual goals & positive results.

WE ARE PROUD TO BE A CHAP-ACCREDITED DEEMED STATUS HOME HEALTH AGENCY

Not all Home Health agencies are accredited. Accreditation reflects an organization's commitment & dedication to demonstrating a higher level of performance & quality.
